5 July	Nettles
12 July	Dock leaves & Nettles

We get changed out of school uniform for Forest School so your child will need:

- A waterproof coat
- Old, warm clothes from home. As the weather get colder, pack and wear lots of layers - especially socks
- Hats, gloves and scarf
- Always - Long sleeves & long trousers protect us from ticks and stings

We provide waterproof trousers for the class.

As the weather gets hotter they will need:

- Sun protection applied before school
- A sunhat

We will be at the off-site Forest School this term.
